Comment	2/8/2022 - Revised RL and RDs and sent to Hy to review. 2/8/2022 - CALVIN BACKLOG: Assigned to me to complete the processing of this request. 2/8/2022 - Per Jeremy, "I note that Travis's electronic signature and American Oversight's business address are redacted in both release letters. Neither of those things should be redacted. Additionally, FOIAOnline has an OGP concurrence that is responsive to this request. Travis's statement in that email can be considered deliberative in nature and may be redacted under Exemption 5 if you feel that release would be harmful to the deliberative process." 2/3/2022 - Per mtg with Travis, downloaded 000141 Case File and release Case File, RL and RDs and coord. w. Jeremy. 1/28/2022 - HOLD until we complete other Ravnitzky FOIA's. GSA-2018-000141 is a request for Senior Federal Travel data which is now closed and the SFT data has been posted to the Reading Room.. Need to discuss with Travis.
